Requirements:

Parameter	Limit	Result
Colour	Yellow	Meets requirements
Odour	Distinctive, similar to the smell of beeswax	Meets requirements
Taste	Bittersweet	Meets requirements
Consistence	Thick liquid	Meets requirements
CBD content	>0,32%	0,34%
Heavy metals [mg/kg]		
- Lead	<0,1	Meets requirements
- Cadmium	<0,01	
- Mercury	<0,02	
- Arsenic	<0,10	
Microbiological purity [jtk/g]		
-total aerobic mesophile microbial count	<10	Meets requirements

- total yeast and mold count	<10	
- <i>E. coli</i>	<10	
- <i>Listeria monocytogenes</i>	<10	
- <i>Salmonella</i>	Not detected	
PAHs [ppb]		
- benzo(a)pyrene	<10	Meets requirements
-sum of benzo(a)pyrene, benzo(a)anthracene, benzo(b)fluoroanthene and chrysene	≤50	

Energy value of the product:

Parameter	Unit	Value
<i>Energetic value</i>	kJ/100g	1428,89
<i>Caloric value</i>	kcal/100g	336,36
<i>Total fat</i>	g/100g	0,44
<i>Saturated fatty acids</i>	g/100g	0,14
<i>Protein</i>	g/100g	0,81
<i>Digestible carbohydrates</i>	g/100g	82,20
<i>Sodium chloride</i>	g/100g	<0,05
<i>Dietary fibre</i>	g/100g	<0,26
<i>Total sugar</i>	g/100g	68,77

Allergenic information: This product does not contain allergens listed in the Regulation of the European Parliament No. 1169/2011 as amended.

Packaging: 200 ml PET bottle, PET bag certified

Storage conditions: Store in the fridge
